Professional summary

I am an energetic and self-motivated Full Stack Web Developer with over 3 years of hands-on experience. Known for my reliability and strong work ethic, I am a mature team player comfortable in both collaborative and independent settings. I thrive under pressure, consistently meeting strict deadlines. Committed to delivering high-quality and innovative solutions, I am excited to bring my skills to your team and contribute to the dynamic field of web development.

Experience

● Full Stack Developer January 2020 - January 2024
Naxotop, Pakistan, Mian Channu

At Naxotop Pakistan, I had the opportunity to work as a Full Stack Developer from 2020-01 to 2024-01. During my time at Naxotop, I was able to utilize my skills in both front-end and back-end development to create innovative and user-friendly web applications.

- Developed and maintained full stack web applications
- Collaborated with cross-functional teams on project requirements
- Implemented new features and functionality for existing applications
- Conducted code reviews and debugging for efficient performance
